EURAXESS is a unique web portal promoted by the European Commission, which offers job, funding and hosting opportunities, career development guidance and free tools to researchers and innovators seeking to advance their careers and personal development by moving to other countries. The EURAXESS network counts 43 European countries and 9 worldwide hubs.

Svetlana Dimitrova is a Project Manager at Sofia University and coordinates the national network EURAXESS Bulgaria. Her experience in many network projects is related to the creation of tools and programmes for the support of researchers' career development.

Tanya Yordanova is a Projects and Programmes Expert at Sofia University and is Global Career Development Facilitator (GCDF) certified. She coordinates the global integration EURAXESS Mentoring Programme "Shape the Future of a Researcher Coming to Europe". Her recent experience is related to a number of Erasmus+ projects.
